

# Miami-Dade Arts Emergency Action Initiative

With new property tax reforms, the threat to government funding for the arts is real. The cultural community in Miami-Dade county must make our voices heard. The Arts Emergency Action Initiative will provide critically needed proactive advocacy efforts now.

## Your minimum \$25 donation to the Initiative will fund:

- A new **website** featuring up-to-date alerts on the status of local arts funding and action steps we must take
- **Arts Action E-Blasts** will be sent as needed to keep you informed when your participation is needed via letters, phone calls, attendance at public meetings etc.
- **Candidate Interviews** for local municipal and county elections and endorsements of the best candidates that voice support for the arts.
- Letters and information to **elected officials** on behalf of the cultural community

**Make sure your voice is heard. Join us today.**

**There is power in numbers. Invite your audience members and your board to participate.**
